Biographie de l'auteur As a civil lawyer, I spent many, many years writing complex legal briefs for unappreciative bosses. To keep from stabbing myself (or them) in the eye with a fork during all of that, I also started writing down the stories in my head. All on my own time, of course ;) Turns out, I'm a sucker for hot, alpha male shifters and kickass heroines. Now, I've thrown away my shingle (er - more like burned it in a fire pit) so I can devote my time to bringing you sizzling, erotic, paranormal romance stories. If you like hunky, bad boy shifters, women who know what they want in and out of the bedroom, panty-melting sex scenes, and edge of your seat suspense, I've got you covered! We'll put the rahr in erotic romance (okay, okay, that sounded better in my head).
