Prsentation de l'diteurDrama. Tragedy. Family. Life.FINDING HER FEET by Jams N. RosesThe tragedy begins as Amanda watches her sister fall through the broken ice. Heartbreakingly, Samantha doesnt reappear until the following day, when her lifeless body is pulled from the water. The devastation continues as the family falls apart under the weight of emotional pain and unfair blame.When overwhelmed with guilt, how

does a child cope with a death in the family? Contemporary Drama / Tragedy / YA - Adult Content - Sex Violence - 16+ Other titles from this author: GET CLEAN by Jams N. Roses Cocaine is everywhere. Young men and women sniff the recreational drug as often as they spark up cigarettes or sip beer. Its typical of a generation educated by music videos and tabloid newspapers Im Jimmy Walker, a smart young man with a caring family around me. Id have the world at my feet, if only I wasnt addicted to white powder. A change of scenery can be a good thing, but it turns out that moving from suburban England to the south of Spain isnt the best idea when trying to get clean. The Costa del Sol is Europes main point of entry for my favourite poison. Under the Marbella sun, Im falling deeper into the darkness of drug addiction. With pockets full of cash and bags full of Coke, Im being led astray by a psychopath named Jason, an Aussie who loves the sort of random violence Id only ever seen in films. Getting high is easy, and so is hitting rock bottom But can I Get Clean? Based on true events Contains adult content Sex Violence 18+ "This author wrote an excellent novel....It's dark, raw, venegeful" "I loved this book - full of everything you'd expect from its summary! It made me laugh, but was gritty and the drama built to the very last line!" "a fantastically written book and will rate very highly with those who also 'lived the dream'" " Very entertaining. Laughed so much at some of the situations." "Really well written and kept me gripped to the end. Would definitely recommend." "This book had me on the edge at every turn. Would highly recommend." "A very well written and gripping story, I could not put it down." SON OF A SERIAL KILLER by Jams N. Roses Ben Green is a troubled young man, losing his mind and hearing voices. Worse than that, his nightmare is just beginning Detective Inspector Summers hates dealing with drug addicts, thieves, violent men and women, rapists, child molesters and murderers. She wants to be a doctor in a surgery, saving the lives of the sick. Instead, she deals with the sick and twisted. Finally, she gets handed the case she wants, the reason she joined the force Her investigations lead Summers closer to Ben, and his involvement to the case slowly becomes clear Psychological Thriller Contains adult content Sex Violence 18+ -an excellent, suspenseful, emotional, psychological thriller-you actually feel the mental anguish, guilt, heartbroken pain and confusion-a smart, hip, slickly written serial killer thriller-Most definitely had a few surprises in the story.-plot was interesting with a number of twists. EXTREMELY ENGLAND by Jams N. Roses A satirical story, Extremely England is a naughty novella full of farcical fun! Contains rude and crude humour Not for the easily offended! RosesA satirical story, Extremely England is a naughty novella full of farcical fun! Contains rude and crude humour Not for the easily offended!Biographie de l'auteurJams N. Roses is a father of one and grew up in Hertfordshire, England. He has spent a few years living on the Costa del Sol, Spain, and currently resides in Nice, France. He primarily writes novels that are steeped in crime with a psychological twist, but has a naughty sense of humor that can sneak its way into his work, so much so that his third release, Extremely England is an hilarious, satirical comedy. **IMPORTANT NOTE:** Books by Jams N. Roses are rude, crude and brutally honest. They'll take you back to your misspent youth, and leave you wiping your brow for having survived it. These books are not family-friendly, Christian stories. If you are easily offended, hate to acknowledge that drug or alcohol abuse exists, are disgusted that sex is more than just a tool for procreation, or can't stand to read the occasional swear word, then save your blushes and don't read these books. However, if you want to read about people living life on the edge, then you've come to the right place. From the author... "I love the creation of stories, and although I spend days and weeks and months working on a plot, it's the emotions of my characters that I enjoy delving into. My first published novel, 'Get Clean', really has my heart and soul poured into it. Although I feel a bit naked by putting a story out there that contains so much of my life, I'm happy with the book, and a little proud of my first writing achievement. Also available is 'Son of a Serial Killer'. This story was born in my mind when I was going through a difficult phase in my life. I felt let down by the person closest to me, and I was angry and upset. What better way to expel those emotions than to throw them into a book? The story itself isn't based on my life like my previous novel, but the emotions captured within the pages are feelings I had to battle with for far too long. My third release, 'Extremely England', is something completely different. It's a satirical comedy poking fun at society and the way it is portrayed by the media - I enjoyed writing something that wasn't so dark for a change if I'm honest! Just recently, I've released my fourth novel on . Back to the darker side of life, 'Finding Her Feet' is the tale of a young girl, who grows up in a family that suffered a terrible tragedy. To be read with a box of tissues handy. I am a big film fan, and would have to admit that I have an eye on the 'filmability' of my stories when writing them. One day..."
