Description :

Prsentation de l'diteurRenowned pastor and bestselling author of the forthcoming God's Wisdom for Navigating LifeTimothy Keller shares his most provocative and illuminating message yet.It is commonly thought in secular society that the Bible is one of the greatest hindrances to doing justice. Isnt it full of regressive views? Didnt it condone slavery? Why look to the Bible for guidance on how to have a more just society? But Timothy Keller challenges these preconceived beliefs and presents the Bible as a fundamental source for promoting justice and compassion for those in need. InGenerous Justice, he explores a life of justice empowered by an experience of grace: a generous, gracious justice. This book offers readers a new

understanding of modern justice and human rights that will resonate with both the faithful and the skeptical.
