## Description :

Prsentation de l'diteurMost travel diaries fizzle. By day six of a big trip, people are struggling to recall what happened on days three, four, and five. They return home with mostly empty journals, or bland writing that fails to capture the full spirit of their journeys. Award-winning travel humorist Dave Fox comes to the rescue in this book that's both informative and irreverently funny. You'll learn to: -- Bring destinations to life with bold details. -- Splash those details quickly onto your pages so journaling doesn't gobble up your precious

vacation time. -- Elude your "Inner Censor" and write with confidence. -- Weave together your "outer" and "inner" journeys, using unfamiliar places as a backdrop for self-discovery. Dave shares his favorite journaling techniques, shows how to find time to write in the middle of an exciting trip, and infuses it all with a generous dose of his off-the-wall humor. Whether your journeys are weekend road trips or excursions around the world, this book will help transform you into a travel journaling superhero!
