Description : Description du produitHarper Blaine was slogging along as a small-time P.I. when a two-bit perp's savage assault left her dead. For two minutes, to be precise. When Harper comes to in the hospital, she begins to feel a bit ...strange. She sees things that can only be described as weird-shapes emerging from a foggy grey mist, snarling teeth, creatures roaring. But Harper's not crazy. Her "death" has made her a Greywalker-able to move between our world and the mysterious, cross-over zone where things that go bump in the night exist. And her new gift (or curse) is about to drag her into that world of vampires and ghosts, magic and witches, necromancers and sinister artifacts. Whether she likes it or not.

Prsentation de l'diteurHarper Blaine was your average small-time P.I. until a two-bit perp's savage assault

left her dead for two minutes. When she comes to in the hospital, she sees things that can only be described as weird-shapes emerging from a foggy grey mist, snarling teeth, creatures roaring. But Harper's not crazy. Her "death" has made her a Greywalker- able to move between the human world and the mysterious cross-over zone where things that go bump in the night exist. And her new gift is about to drag her into that strange new realm-whether she likes it or not.

From Publishers Weekly PI Harper Blaine sees a strange shift in clientele in Richardson's dizzy urban fantasy debut. After being dead for two minutes as a result of a clobbering by an angry perp, Harper discovers icky side effects complicate her Seattle life in unexpected ways she sees ghosts and attracts otherworldly business as she pops in and out of a shadowy overlapping world. Harper seeks the assistance of Ben Danziger, self-proclaimed "ghost guy" and linguistics professor, and his wife, Mara, a witty Irish witch. They educate Harper on the Grey, "a place between our world and the next." Harper tries to maintain a normal life, dating a sexy antiques expert while battling wits with Seattle's vampire king, but being a Greywalker means she can only "pass for human." Fast-paced fun, this first novel will captivate fans of Charmed, Buffy and Charlaine Harris (Definitely Dead). (Oct.) Copyright Reed Business Information, a division of Reed Elsevier Inc.
