## Description :

Prsentation de l'diteurLearn to play the three Kings delves into the guitar styles of Albert King, B.B. King and Freddie King.The book explores the main elements that make up each players guitar style and is designed to give you the tools and approaches you need to add a little of each style to your own guitar playing.Each chapter examines the rhythm and lead guitar techniques of the three Kings, which are then broken down into their signature phrases. We dissect the approaches used so you can see the origins of each idea, making them easier to integrate into your own guitar playing.At the end of every chapter we have a specially composed rhythm guitar part and lead guitar solo, demonstrating how you can combine the ideas into the context of a blues piece.Each song includes an accompanying demo track demonstrating each phrase and also a backing track for you to jam over. All accompanying audio can be downloaded from the books
