Description :

Prsentation de l'diteurWhat happens when a successful, determined middle-aged man falls in love with a woman who is happily married? If hes Avery Laird, he hires her to work for him. Buddy and Ginger have been happily married for 27 years.Avery Laird is divorced. When he meets Ginger, he believes he has found the perfect mate. Determined to marry her, he offers her a job at an inflated salary.Buddy is suspicious. He thinks the job is too good to be true and makes Ginger feel as though she isn't worth the offer. She goes to work for Avery to prove Buddy wrong. Ginger saves Avery a fortune in the first real estate deal she handles for his company. Flush with success, she believes the problems she and Buddy had are over. But then they

have an unexpected guest from the past who tells Ginger the reason Buddy quit baseball after they were newly married, a subject Buddy has always avoided. When Ginger confronts Buddy with what she has learned, trouble really begins. The only suggestion I would have for a reader would be to make sure you have enough time set aside to read it from start to finish, because once you pick it up, you won't want to put it down until the very end.
